"The Torah teaches: 'Justice, justice, you shall pursue' (Deuteronomy 16:20). To secure a lasting settlement to the conflict between Palestinians and Israelis so they can live in peace and security, thrive side by side, and co-operate together, Jews today are obligated to pursue justice on behalf of both peoples." RABBI ELIZABETH TIKVAH SARAH

"The work that JEWS FOR JUSTICE FOR PALESTINIANS has done over the last few years is of profound importance for the human rights of Palestinians and Israelis and for reaffirming the long association between Jewish people and the struggle for human rights everywhere." FRANCESCA KLUG, OBE

DO YOU BELIEVE THAT...

PEACE IN THE MIDDLE EAST will only come about with mutual recognition and respect and must be seen as just by both sides.

PEACE REQUIRES the end of illegal occupation and settlement.

VIOLENCE against civilians is unacceptable.

ISRAEL'S POLICIES in the West Bank and Gaza are breeding hatred and resentment.

IT IS CRUCIAL that Jews speak out for Palestinians' human rights.

THE VALUES of Israeli society have been corrupted by the Israeli state's human-rights abuses.

BRITAIN, the EU, the USA, Russia and the UN must be persuaded to implement UN resolutions on Palestine.

IF YOUR ANSWER IS 'YES'

WHO ARE WE?

JEWIS FOR JUSTICE FOR PALESTINIANS is a network of Jews who are British or live in Britain, practising and secular, Zionist and not. We oppose Israeli policies that undermine the livelihoods, human, civil and political rights of the Palestinian people.

We support the right of Israelis to live in freedom and security within Israel's 1967 borders.

As well as organising to ensure that Jewish opinions critical of Israeli policy are heard in Britain, we extend support to Palestinians trapped in the spiral of violence and repression. We believe that such actions are important in countering antisemitism and the claim that opposition to Israel's destructive policies is itself antisemitic.

We cooperate with other organisations on specific issues without necessarily endorsing everything they do.

We work to build Jewish opposition to the Israeli occupation with like-minded groups around the world and are a founding member of EUROPEAN JEWS FOR A JUST PEACE – a federation of Jewish groups in ten European countries whose principles include:

- condemnation of all violence against civilians in the conflict, no matter by whom it is carried out
- recognition of Israel's 1967 'green line' borders

'Israel must withdraw from all the settlements and dismantle the Wall within Palestinian territory. Then, perhaps, we may at last see some justice for Palestinians.' MIRIAM KARLIN, OBE

- commitment to the Palestinians' right to a state in the territories currently occupied by Israel in the West Bank, East Jerusalem and Gaza
- calling on Israel to acknowledge its part in the creation of the Palestinian refugee problem and its obligation to negotiate a just, fair and practical resolution of the issue.

'Sharon cannot be allowed to speak for British Jews – he does not speak in our name. JEWS FOR JUSTICE FOR PALESTINIANS gives expression to the many alternative views within the community.' MICHAEL ROSEN

At the start of 2005, our signatories included six rabbis; 90 professors (including three Fellows of the Royal Society); 81 medical and academic doctors; several OBEs, CBEs and MBEs; two knights and three Members of Parliament.

The list includes Geoffrey Bindman, Stephen Fry, Eric Hobsbawm, Nicolas Kent, Mike Leigh, Miriam Margolyes, Jonathan Miller, Susie Orbach, Harold Pinter, Jacqueline Rose, Alexei Sayle, Avi Shlaim, Antony Sher, Gillian Slovo, Tom Stoppard, Janet Suzman and Zoë Wanamaker.

Note: all our signatories can be found at www.jfjfp.org/signatories.htm

WHAT WE DO

- We support many Israeli peace and human-rights organisations morally and financially, including:

Bat Shalom (Women for Peace), Courage to Refuse, Gush

Shalom (Peace Bloc), Rabbis for Human Rights, Physicians for Human Rights (Israel), Yesh Gvul (There is a Limit), Breaking the Silence, Ta'ayush (Arab-Jewish Partnership), Zochrot (Remembrance), and Machsom (Checkpoint) Watch.

- We organise meetings across the UK and produce information on the Israeli/Palestinian conflict – both printed and web-based at www.jfjfp.org/
- We assist Palestinian peace and humanitarian organisations including: the International Solidarity Movement, United Medical Relief Committees and the Gaza Community Mental Health Project.
- We channel humanitarian aid through the British Shalom Salaam Trust, an independent grant-giving charity.
- We provide practical support to the Palestinian economy by planting olive trees, marketing Palestinian olive oil and encouraging fact-finding trips to the area.
- We are helping to build a broad-based 'End the Occupation' campaign in the UK and worldwide.
- We lobby on issues relating to the Israeli/Palestinian conflict, often in association with Palestinians.

'JEWS FOR JUSTICE FOR PALESTINIANS is concerned for justice for them – and us! Without justice for Palestinians, there is no hope for Israel.'
RABBI JEFFREY NEWMAN
