‘I have seen for myself the utter degradation and poverty of the Palestinians and cannot believe that people who have suffered as we Jews have, can do this to other people.’ MIRIAM MARGOLYES OBE

‘The work that JEWS FOR JUSTICE FOR PALESTINIANS has done is of profound importance for the human rights of Palestinians and Israelis and for reaffirming the long association between Jewish people and the struggle for human rights everywhere.’

FRANCESCA KLUG OBE

WE BELIEVE THAT

▶ **PEACE IN THE MIDDLE EAST** will only come about with mutual recognition and respect and must be seen as just by both sides.

▶ **PEACE REQUIRES** the end of illegal occupation and settlement.

▶ **VIOLENCE** against civilians is unacceptable.

▶ **ISRAEL'S ACTIONS** in the West Bank and Gaza are breeding hatred and resentment.

▶ **IT IS CRUCIAL THAT JEWS** speak out for Palestinians' human rights.

▶ **THE HUMANITARIAN VALUES** of Judaism have been corrupted by the Israeli state's human-rights abuses.

▶ **A LASTING PEACE** must be seen as just by both sides.

▶ **BRITAIN, THE EU**, the USA, Russia and the UN must be persuaded to implement UN resolutions on Palestine.

IF YOU AGREE then link up with over 1,600 other Jews in Britain, who make up **JEWS FOR JUSTICE FOR PALESTINIANS**.

‘That which is hateful to you, do not do to your neighbour. That is the whole Torah, the rest is commentary.’ RABBI HILLEL

WHO WE ARE

JEWIS FOR JUSTICE FOR PALESTINIANS is a network of Jews who are British or live in Britain, practising and secular, Zionist and not. We oppose Israeli policies that undermine the livelihoods, human, civil and political rights of the Palestinian people.

WE SUPPORT the right of Israelis to live in freedom and security within Israel's 1967 borders.

WE ORGANISE to ensure that Jewish opinions critical of Israeli policy are heard in Britain and extend support to Palestinians trapped in the spiral of violence and repression. We believe that such actions are important in countering antisemitism and the claim that opposition to Israel's destructive policies is itself antisemitic.

WE COOPERATE with other organisations on specific issues without necessarily endorsing everything they do.

WE WORK TO BUILD Jewish opposition to the Israeli occupation with like-minded groups around the world and are a founding member of EUROPEAN JEWS FOR A JUST PEACE – a federation of Jewish groups in ten European countries whose principles include:

- ▶ **CONDEMNATION** of all violence against civilians in the conflict, no matter by whom it is carried out
- ▶ **RECOGNITION** of Israel's 1967 'green line' borders
- ▶ **A COMMITMENT** to the Palestinians' right to a viable state in the West Bank, East Jerusalem and Gaza
- ▶ **CALLING ON ISRAEL** to acknowledge its part in the creation of the Palestinian refugee problem and its obligation to negotiate a just, fair and practical resolution of the issue

WHAT WE DO

WE SUPPORT many Israeli peace and human-rights organisations morally and financially, including:

ACRI (Association for Civil Rights in Israel), Adalah, Anarchists Against the Wall, Breaking the Silence, Coalition of Women for Peace, Gisha, Gush Shalom, ICAHD (Israeli Committee Against House Demolitions), Machsom (Checkpoint) Watch, New Profile, PHR-I (Physicians for Human Rights), PCATI (Public Committee Against Torture in Israel), Rabbis for Human Rights, Ta'ayush (Arab-Jewish Partnership), Yesh Gvul and Zochrot.

WE ORGANISE meetings across the UK and produce information on the Israeli-Palestinian conflict – printed and web-based at www.jfffp.org

WE LOBBY on issues relating to the Israeli-Palestinian conflict, often in association with Palestinians.

WE PUBLISH adverts occasionally about important current issues in the national and Jewish press.

WE PROMOTE boycott, divestment and sanctions initiatives against Israeli and foreign companies profiting from the illegal occupation.

WE SUPPORT a wide range of Palestinian peace and humanitarian organisations.

WE CHANNEL funds for humanitarian aid and charitable projects through the British Shalom-Salaam Trust, an independent grant-giving charity.

WE PROVIDE practical support to the Palestinian economy: planting olive trees, supporting Zaytoun, a fair-trade organisation marketing Palestinian olive oil, and encouraging fact-finding trips to the area.

‘JEWS FOR JUSTICE FOR PALESTINIANS is concerned for justice for them – and us! Without justice for Palestinians, there is no hope for Israel.’

RABBI JEFFREY NEWMAN
